#### **What is the code of distribution?**

Codes of distribution are assigned based on your age and the type of payment you’re receiving. For additional information regarding codes of distribution, please visit the Internal Revenue Service (IRS) website at [IRS.gov/forms-instructions](https://www.irs.gov/forms-instructions).

**What if I didn't receive my 2024 W-2 from Verizon payroll?**

If you did not receive your W-2 statement for a period of active service with Verizon in 2024, please call Verizon Employee Payroll Support at 800.932.7947.

**My state and/or federal withholding is incorrect—how can I get this amount corrected?**

It is important to review your current state and federal tax withholdings at the beginning of 2025 to ensure you are meeting your tax obligation. We cannot change the reporting of state and/or federal withholding since the 2024 tax year has closed. If there is an error in the withholding amount on your tax form, please speak with a financial advisor or your tax preparer for information on how to recover amounts withheld that exceed your tax obligation.

**Why do I have imputed income in box 12 of my 2024 W-2 form?**

If you had retiree life insurance coverage greater than \$50,000 during 2024, a portion of the amount over \$50,000 is reported to the government as taxable income.

If our records indicate you have a domestic partner who does not qualify as a tax dependent, the value of the Verizon medical and/or dental coverage provided to your domestic partner (and to children of your domestic partner) during 2024 is reported as taxable income.

**How can I change my payment to be directly deposited into my bank account?**

Call the Verizon Benefits Center at 855.4vz.bens (855.489.2367) to make direct deposit changes.

**Why did I receive a tax form for a payment I haven't cashed in 2024?**
