
Travel Quarantine Restrictions

People in quarantine should stay home, separate themselves from others (including other Verizon employees), monitor their health, and follow directions from their state or local health department.

Location	Quarantine Restrictions
International	<p>Before any international travel, please review:</p> <ul style="list-style-type: none">• the CDC's COVID-19 Travel Notices for the applicable country or countries;• entry restrictions for certain individuals from specific countries;• the CDC's requirement for proof of negative COVID-19 test or recovery from COVID-19 for all air passengers arriving in the United States.• If you are travelling internationally, please review the international office entry requirements. <p>Upon your return, you must abide by the provisions in the applicable Notice(s). If those call for you to be quarantined, and you traveled to the restricted area after the relevant quarantine went into effect, you will need to take vacation, personal, or holiday time during any period where you must remain out of Verizon workspaces in order to be paid. If you are able to work from home during the self-quarantine period, you will be paid as normal. You must notify your manager and HR Business Partner of the need to self-quarantine.</p> <p>Except in exceptional circumstances, you may not work from another country.</p> <p>You should not schedule any period of remote working abroad before, during or after any personal trip when traveling outside your own country.</p>
