

Up To Speed Wednesday, January 22, 2025

Dear Verizon, we spent a whole day writing a new episode of George Talks Tech about the brand new Samsung Galaxy S25 so that we could tell you about these cool new features.

Portrait Selfies make portraits that pop.

NowBrief provides insights that keep you a step ahead.

How much mercury is in sushi? and then send it to Kelsey Peterson.

Sure. Message to Kelsey Peterson.

Cross App action handles multiple tasks with one ask.

Ready to send it?

Yes.

The next gen processor gives you next level power for next level play.

AI powered advanced sleep allows you to track your sleep from your wrist to your phone.

Are you ready to meet the phone that totally gets you?

Say hello to the Samsung Galaxy S25, the smartphone series that's basically your new bff.

Need plans for the weekend? The Galaxy S25 Cross App action has your back.

It's like having a personal assistant that actually listens and it doesn't need coffee breaks.

Click the side button and speak naturally.

No robotic voice needed.

Observe. Find the nearest Tiki Lounge in New York and invite Erin Kristoff to hang out tonight.

Sure, message to Erin Kristoff saying Hey Erin, want to meet up for drinks at Otto's Shrunken Head tonight?

It's a 20 minute drive from where you are. Ready to send it? Yes. Okay, it's done.

While you're out having fun, Night Vision ensures that every moment shines, even in low light.

And with Audio Eraser, you can reduce distracting background noises for crystal clear memories.

Whether it's rain or shine, NowBrief keeps you one step ahead by delivering personalized daily insights based on your schedule.

Your photos and videos will look better than ever with ProScaler on this incredible display.

From scrolling your feed to sharing your own stunning selfies, every image pops with vivid detail.

Speaking of selfies, the Advanced Portrait feature makes sure you're looking your best.

No filters needed, just awesome shots every time.

The high resolution ultra-wide camera on the Galaxy S25 Ultra helps you capture every detail in group photos and sweeping landscapes.

Gamers rejoice! With Samsung's most powerful processor yet, the Galaxy S25 delivers lightning fast performance.

Push boundaries and dominate that leaderboard.

The Galaxy S25 also works seamlessly with your Galaxy Ring and Galaxy Watch to offer Energy Score and AI powered sleep tips to help you feel your best and keep you on top of your game.

Whether you're trying to escape the tension, planning your next hang out, snapping epic pics or just keeping up with life, the Galaxy S25 series makes it all feel easy.
