When we -- and we definitely stepped up to handle 4 major storms, Elsa, Henri, Ida and Nicholas.

Ida, a monster Category 4 storm slammed the Louisiana coast it was so destructive only Katrina was worse.

Verizon was on the ground in Ida's wake to assist with recovery, bringing in assets and setting up charging station in the areas and Verizon Response Team supported 6 states and 67 Government agencies total they never stopped working we also provided calling, text and data relief to thousands of customers to help with their recovery.
