

Up To Speed
Monday, December 23, 2024

Hey V Team, happy holidays and thanks for tuning in to Up to Speed.

We've been sharing our awesome holiday deals all season long and if you need a refresher, head over to our holiday hub for the latest.

You'll find deals like our guaranteed trade in on any old iPhone. No matter the condition.

And you'll get an iPhone 16 Pro, an Apple Watch Series 10 and an iPad 10th generation all on us.

And for Android users get the Samsung S24+ or Google Pixel 9 Pro plus more gifts worth up to \$1,800.

Now last minute stocking stuffers are also sure to be found with accessories for everyone, so be sure to check it out and tell your friends and family who may be looking for last minute gifts.

And for my final reminder before the new year, don't forget to join us on January 6th at 11 a.m. Eastern for our 2025 kickoff.

You'll hear from Hans and our leadership team on our priorities for the year and exciting things we can all look forward to.

I hope to see you there.

And now to close us out, a special message from our leaders.

This time of the year, it's important to take a pause and reflect on the achievements in the year, but also how we've grown as a company and as a team.

Whether it's helping to run and grow businesses, connecting people to the ones they love, capturing and sharing life's most important moments or creating once in a lifetime experiences.

We show up for our customers and our communities every day and everywhere.
Thank you for all your hard work, dedication and commitment.

We are so grateful for you, the V Team. You are the best in the business.

I hope you take time to reflect on everything you've accomplished this year and enjoy some well-deserved time with your family and loved ones.

Thank you V Team, for all you have done this year, and I'm excited to see you next year for all the challenges and opportunities we have.

Thank you V Team. Thank you V Team.

Thank you V Team. Thank you V Team.

Thank you V Team. Thank you V Team.

Thank you V Team. Thank you V Team.

Thank you V Team. Happy Holidays!
