

Verizon Business Marketing Text/SMS Messages - Terms and Conditions

What are Verizon Business Marketing Text/SMS Messages?

These messages deliver information about Verizon Business solutions, products and offers. The frequency of messages may vary.

How do I sign up for Verizon Marketing Text/SMS Messages?

While going through the digital shopping flow, prospects will have the opportunity to opt in to receive marketing text messages.

Is it free?

Although there is no charge from Verizon for Marketing Text/SMS Messages, message and data rates may apply depending on your wireless carrier plan. For questions about your plan, contact your wireless carrier.

What if I don't want to receive any additional messages from the long code +1 908 542 8477 or +1 908 529 8803?

If you wish to stop receiving Verizon Business Marketing Text/SMS Messages, simply text "Stop" to the long code. It may take up to 1 business day for your preference change to take effect. This will prevent you from receiving any future Verizon Business Marketing Text/SMS messages from that long code to your mobile number. You will receive a confirmation message that you have successfully opted out.

What if I want back in?

You can start receiving Verizon Business Marketing Text/SMS Messages again by following the steps outlined in the "How do I sign up for Verizon Marketing Text/SMS Messages" above.

What if I want more information?

At any time, you can text "Help" in reply to the SMS you received. Texting "Help" will return the following message: "For help, visit verizon.com/business/contact. To view terms of service go to verizon.com/terms. Text STOP to opt out of messages. Message & data rates may apply."
