

VERIZON CUSTOMER PROPRIETARY NETWORK INFORMATION – SPECIAL NOTICE

Under Federal Law, you have the right, and we have the duty, to protect the confidentiality of your telecommunications service information. This includes information regarding the type, technical arrangement, quantity, destination, and amount of use of your telecommunications services, and the related billing for these services.

We may use this information, and share it with our affiliates and agents, for marketing purposes, without further authorization by you, to offer you the full range of communication-related products and services available from Verizon and its affiliates, and to offer you a package of services tailored to your specific needs. These services may be different from the type of services you currently buy from us. In addition to local telephone services, these services include long distance, wireless, Internet access and video services.

A more complete description of the Verizon companies and their service offerings is available at www.verizon.com or you may call your Verizon service representative.

If you wish to restrict this use of your information to offer services as described above, please call us at any time at 1.866.554.5055. Please have your bill and account number available. You may call this number at any time to register or remove your restriction. Your decision will remain in effect until you tell us otherwise.

If you have previously restricted use of your telecommunications service information, no action on your part is required unless you wish to remove the restriction. Whatever you decide will not affect our provision of service to you and does not eliminate all other marketing contacts by Verizon. If you have any questions, please call your service representative or account manager.
