Subject : Verizon Partner Solutions Industry Letter: : Notice of Price Changes for certain Interstate Special Access Services in Verizon FCC Tariffs and Business Data Services (BDS) Product Guide

This is to provide notice of rate increases for certain interstate special access services in Verizons Business Data Services (BDS) Product Guide and in Verizons Tariff FCC Nos. 1 and11 as filed at the FCC under Transmittal 1440.

Effective December 30, 2023, Verizon[1] will increase rates by approximately 35 percent for certain DS1 and DS3 interstate channel terminations, fixed and per mile channel mileage, and multiplexers in the BDS Product Guide and by approximately 20 percent for certain interstate DS1 and DS3 channel terminations in the FCC Nos. 1 and 11 Tariffs. Rates for certain interstate Voice Grade Service, Digital Data Services (DDS) and DIGIPATH® digital service II (DDS II) channel terminations, and fixed and per mile channel mileage will increase by approximately 35 percent in the BDS Product Guide.

The tariff changes will be available at verizon.com/tariffs on December 15, 2023. The BDS Product Guide changes will be available at verizon.com/productguides[2] on December 30, 2023.

For additional information, please see verizon.com/tariffs or contact your account manager.
