Subject : Verizon Partner Solutions Industry Letter: Englewood NJ 5ESS Switch Retirement

PLEASE NOTE:

- All references to the Englewood NJ 5ESS switch are associated with CLLI code ENWDNJENDS5 and will not be repeated throughout this letter.
- All references to the Rochelle Park NJ CS2K switch are associated with CLLI code RCPKNJ01PS0 and will not be repeated throughout this letter.

As set out in the Verizon New Jersey Inc. Public Notice of Network Change Under Rule 51.329(a), dated November 1, 2024, on or after May 2, 2025, the Englewood NJ 5ESS switch will be retired and removed from the Verizon network as part of ongoing efforts to modernize the network.

General Information: The Exchange Codes (NXXs) in Numbering Plan Area (NPA) 201 currently residing in the Englewood NJ 5ESS switch (see list in Table B below) will be moved to the Rochelle Park NJ CS2K switch (see details in Table A below).

The thirteen (13) native NPA NXXs belonging to the Englewood NJ 5ESS switch will be rehomed upon decommissioning of the switch and reflected in the Local Exchange Routing Guide (LERG) for the Rochelle Park NJ CS2K switch. This will occur on or after May 2, 2025.

201	871	EOC	ENGLEWOOD
201	894	EOC	ENGLEWOOD

Network Changes and Trunk Rearrangements:

The Rochelle Park NJ CS2K switch will be the recipient office of traffic migrated from the Englewood NJ 5ESS switch. Traffic bound for the codes listed in Table B will be delivered via the New Brunswick 04T Tandem (NBWKNJNB04T).

After all traffic is migrated off of the Englewood NJ 5ESS switch, this switch will be retired and removed from the network.

CLECs, IXCs, IECs, wireless carriers and paging carriers will need to secure new trunk groups built to the Rochelle Park NJ CS2K switch or have existing trunk groups to that switch augmented. Carriers that have direct end office trunk (DEOT) with access connectivity in the Englewood NJ 5ESS switch will be required to reposition the codes to the Rochelle Park NJ CS2K switch.

All ASRs for the Rochelle Park NJ CS2K switch must be received no later than March 21, 2025, to provide sufficient time to migrate the traffic described above. All traffic must be moved by May 2, 2025. All ASRs for the Rochelle Park NJ CS2K switch must carry the project code of **ENWDNJENDS5**.

Please adhere to industry standards using normal procedures that pertain to updates and changes to the LERG for all NXXs subject to the retirement of the Englewood NJ 5ESS switch.

For inquiries related to the proposed network reconfiguration, or to arrange a meeting with Verizon Network Engineering and Planning personnel, please contact your Verizon Account Manager.

We look forward to working with your team to enable uninterrupted service during the network redesign and transitioning of your traffic.
