

PUBLIC NOTICE OF NETWORK CHANGE UNDER RULE 51.329(a)

November 1, 2024

Carrier: Verizon New Jersey Inc., One Verizon Way, Basking Ridge, NJ 07920

Contact: For additional information on these planned network changes, please contact:

Lisa Thompson
Global Data Network Engineering
Verizon Wireline Network Operations
13100 Columbia Pike, Floor 5 Room 505
Silver Spring, MD 20904
410-375-9777

Michael Childs
Associate Director
Verizon Network Engineering
5055 North Point Pkwy.
Alpharetta, GA 30022
469-497-4466

Implementation Date: On or after May 2, 2025

Planned Network Change(s) will occur at the following locations in New Jersey:

Verizon Central Office	Address	CLLI
Englewood NJ 5ESS Switch	34 Engle Street Englewood, NJ 07631	ENWDNJENDS5
Rochelle Park NJ CS2K Switch	65 W. Passaic Street Rochelle Park, NJ 07662	RCPKNJ01PS0

This notice may also be viewed at <http://www.verizon.com/about/terms-conditions/network-disclosures>

PLEASE NOTE:

- All references to the Englewood NJ 5ESS switch are associated with CLLI code ENWDNJENDS5 and will not be repeated throughout this notice.
- All references to the Rochelle Park NJ CS2K switch are associated with CLLI code RCPKNJ01PS0 and will not be repeated throughout this notice.

Description of the Planned Network Change(s):

The Verizon Englewood NJ 5ESS switch, located at 34 Engle Street, Englewood, NJ 07631, will be retired and removed from the network after all traffic served by this switch is migrated to the Verizon Rochelle Park NJ CS2K switch, located at 65 W. Passaic Street, Rochelle Park, NJ 07662. All traffic to be migrated includes, but is not limited to, Inter-LATA (ACCESS/FG-B-D/CLEC/IXC), wireless, and paging traffic.

Description of Reasonably Foreseeable Impact(s) of the Planned Change(s):

Competitive local exchange carriers (CLECs), interexchange carriers (IXCs, IECs), wireless carriers, and paging carriers will need to secure new trunk groups built to the Rochelle Park NJ CS2K switch or have existing trunk groups to that switch augmented. Carriers that are code holders for access connectivity in the Englewood NJ 5ESS switch will be required to reposition the codes to the Rochelle Park NJ CS2K switch.

All ASRs for the Rochelle Park NJ CS2K switch must be received no later than March 21, 2025, to provide sufficient time to migrate the traffic described above. These direct end office trunk (DEOT) interconnections will support traffic migration for the Englewood NJ 5ESS switch prior to its eventual decommissioning. Local Exchange Routing Guide (LERG) change effective dates will be posted prior to decommissioning of the Englewood NJ 5ESS switch (**on or after May 2, 2025**). This will serve to guide interconnect re-routes of traffic for the thirteen (13) native codes currently served by the Englewood NJ 5ESS switch to reflect the Rochelle Park NJ CS2K switch as the new home switch. All ASRs for the Rochelle Park NJ CS2K switch must carry the project code of **ENWDNJENDS5**.
