New 1-yr line term req'd per device.

Equipment purchased without service activation is not eligible for discounted pricing and will be charged full retail price. A wireless device must be in service for a minimum of 10 months to be eligible for an equipment upgrade at the discounted pricing regardless of contract vehicle chosen. If you choose to upgrade or replace equipment due to loss or theft of your device prior to completing 10 months of service, you may be charged full retail price. This offer cannot be combined with any other offer. Other restrictions or charges may apply. Prices are subject to change without notice and quantities may be limited. Please contact your sales representative at the time of purchase for the latest equipment pricing. To the extent that Verizon Wireless provides wireless products to your agency, such products are manufactured by third parties and may be manufactured or substantially transformed in non-designated countries. Please contact us if you need country of origin information for a specific product.

New 1-yr line term req'd per device.

Equipment purchased without service activation is not eligible for discounted pricing and will be charged full retail price. A wireless device must be in service for a minimum of 10 months to be eligible for an equipment upgrade at the discounted pricing regardless of contract vehicle chosen. If you choose to upgrade or replace equipment due to loss or theft of your device prior to completing 10 months of service, you may be charged full retail price. This offer cannot be combined with any other offer. Other restrictions or charges may apply. Prices are subject to change without notice and quantities may be limited. Please contact your sales representative at the time of purchase for the latest equipment pricing. To the extent that Verizon Wireless provides wireless products to your agency, such products are manufactured by third parties and may be manufactured or substantially transformed in non-designated countries. Please contact us if you need country of origin information for a specific product.

New 1-yr line term req'd per device.

Equipment purchased without service activation is not eligible for discounted pricing and will be charged full retail price. A wireless device must be in service for a minimum of 10 months to be eligible for an equipment upgrade at the discounted pricing regardless of contract vehicle chosen. If you choose to upgrade or replace equipment due to loss or theft of your device prior to completing 10 months of service, you may be charged full retail price. This offer cannot be combined with any other offer. Other restrictions or charges may apply. Prices are subject to change without notice and quantities may be limited. Please contact your sales representative at the time of purchase for the latest equipment pricing. To the extent that Verizon Wireless provides wireless products to your agency, such products are manufactured by third parties and may be manufactured or substantially transformed in non-designated countries. Please contact us if you need country of origin information for a specific product.
