

Change Service (VzB Upgrade | Downgrade) Job Aid

Getting Started

There are **three** ways to start a quote before initiating an upgrade Change Order

Option 1: From Shop

Option 2: From Quick Links

Option 3: From Quote Worklist

Start Quote

1. Create and Save Quote
2. Get Pricing
3. Download Quote PDF
4. Email Quote to the assigned Account Team for review
5. Await response from the Account Team on when to proceed with Change Service function

Note: The install Quote should NOT be submitted to the Order worklist

Things to know for Quote

- If you need to change the entire (Switched | EVPL | Dedicated) E-Line end to end Circuit:
 - Select the Point to Point Product Offering
- If you need to change the EVC and Access Circuit for (Switched | EVPL | Dedicated) E-Line:
 - Select the Combo Point to MultiPoint Product Offering
 - Please include all Circuit ID(s) in the remarks section of the quote
- *To initiate a Change Order, the order role must be enabled*

This job aid **CANNOT** be used to create an Upgrade change order for TLS, OWS or VzON.

Change Service (VzB Upgrade | Downgrade) Job Aid

Order Details
