#### Quoting Tips

1. A quote must be submitted to order for it to be converted to an order
2. Quotes in Submitted, Pricing Requested or Pricing Review status cannot be edited
3. In order to generate an additional quote, add a new row to the group and populate the requested information
4. Co-location addresses will default to Off Net pricing (Co-location override must be selected via Additional Features during the quote journey)
5. From the Quote Summary page, the group quote information can be downloaded into a csv file
6. You can manually add up to 250 locations
