

Simplify pricing for your business.

Contact Center Hub provides predictable monthly pricing, so you can better manage your budget.

Verizon's unique pricing includes:

1. Minutes of usage
2. Onboarding and initial setup
3. Ongoing customer support

We offer one monthly pricing so you can manage your budget better.

Select your plan

Choosing your plan is a critical first step when purchasing the service. Your plan identifies the features available to you in operation as well as your monthly or annual price. Verizon Contact Center Hub provides two plans for businesses, available based on features that meet your requirements.

Plan	Month to month pricing*	Annual pricing*
Essential	\$60 (per agent)	\$600* (\$50 per month paid annually)
Professional	\$90 (per agent)	\$840* (\$70 per month paid annually)

*Annual pricing has discount built in.
No long term contract commitment. Minimum of three (3) paid users per month.

Select your number

Toll free or local 10-digit number for \$10 a line

(First number is billed at \$0 with minimum of 3 paid plans)

Select SMS feature

Add SMS Messaging for \$10 per agent, unlimited inbound/outbound messages

Calling and usage rates

Unlimited inbound and outbound calling within the US and Canada is included in the plan prices² (exception toll free inbound)¹

2000 minutes of Inbound Toll Free per paid Plan is included in the plan prices shown.
Initial setup and ongoing customer support included in prices.

¹Overage charges are applied only for inbound Toll Free calls exceeding an allowance of 2,000 minutes per paid user, per month. Toll Free overage will be charged at a rate of \$20 for each 2,000 minute increment above the business' monthly allowance.

²Service to/from Alaska is excluded
