In the event that Supplier cannot accomplish (i) or (ii) above on commercially reasonable terms not later than 30 days after Supplier becomes aware of the Action, the issuance of such injunction or prohibition, or receipt of Buyer's notice that an Action is likely to occur, as applicable, then Supplier shall promptly upon Buyer's written request, refund to Buyer all amounts paid in connection with the applicable Deliverable or the cost of repair or replacement of the affected third party equipment as is reasonably required in exchange of the return of the same, subject to Applicable Law and any order or directions made by any court of competent jurisdiction in the Action.

Moreover, at any time, Buyer Indemnitee may at its own cost and expense (which cost and expense shall not be subject to indemnification under this clause entitled "Indemnification") settle any such Actions against it so long as such settlement is expressly without prejudice to the interest or position of Supplier.

14.4 **Insurers.** Supplier and Supplier's insurers shall ensure that all investigations into the incident from which the Action arises and any subsequent settlement discussions are conducted expediently and without unnecessary delay.

14.5 **Negotiations for Settlement.** Notwithstanding the clause entitled "Control and Consent to Settlement", Buyer Indemnitee shall be entitled to conduct, or take over from Supplier and/or its insurers the conduct of, all negotiations for settlement of the Action being taken against Buyer Indemnitee arising out of the matters referred to in the sub-clause entitled "Supplier Indemnification". Supplier agrees to indemnify Buyer Indemnitee against all costs and expenses incurred by Buyer Indemnitee in relation to the investigation of the incident from which the Action arises and any such negotiations and/or litigation.

15.1.4 excess liability insurance of not less than USD 2,000,000.

15.3 **Supplier Property.** Buyer, its parent, and their respective subsidiaries, Affiliates and directors, officers and employees thereof shall not insure or be responsible for any loss or damage to property of any kind owned or leased by Supplier or its employees, servants and agents. Buyer’s right to inspect and test does not relieve Supplier from its testing, inspection and quality control obligations, if applicable.

2.2 Acceptance Process

2.2.1 Unless a longer period is mutually agreed on a case-by-case basis, Buyer shall have a period of 30 Business Days following delivery (“**Acceptance Period**”) within which to either accept the Deliverable or provide Supplier with written notice of Non Conformance.

2.2.2 If a Deliverable (or any part thereof) is Non-Conforming, Buyer may return such Non-Conforming Deliverable to Supplier, at Supplier’s risk and expense, and receive a full refund or credit for all amounts paid for the Deliverable. In the alternative, Buyer may grant Supplier the opportunity to repair or replace or re-perform any Non-Conforming Deliverable, in whole or in part, within five Business Days, or such time period as is determined by Buyer to be reasonable based on Customer’s expectations and requirements. After such repair, replacement, or re-performance is completed, the Acceptance process set forth in this clause entitled “Acceptance Process” shall begin anew

3. Risk of Loss. The following provision shall apply in lieu of the clause entitled “Risk of Loss” of this Agreement:

“If Supplier installs the Products upon delivery to Buyer or Customer’s site, risk of loss (including damage) shall pass to Buyer upon Acceptance (as defined in paragraph III Clause 2.2 of Annex 3) of the installation Service. If the Supplier does not install or carry out any other Services in relation to the Products following delivery of the same, risk of loss (including damage) shall pass to Buyer upon delivery of the Products to Buyer or Customer’s site by the Supplier.”
