with charging
stand – Black**

**BH76GL
with charging
stand – Gray**

The One Talk BH76 Bluetooth wireless business headset provides the ultimate audio quality playback experience, with a retractable hidden microphone arm, 4 levels of Active Noise Cancellation (ANC), and Yealink Acoustic Shield Technology supported by multiple microphones. The headset allows users to transform any location into an office quickly. The BH76 can bring users a mix of high-definition professional audio and optimized music playback experience with the advanced Qualcomm aptX digital audio algorithm. You can choose the BH76BL or BH76GL with multifunctional wireless charging stand according to your needs.

Built for business and style

The BH76 Bluetooth Wireless Headset series is equipped with Yealink's uniquely designed retractable hidden microphone arm with a magnetic slide. You can easily pull out the microphone boom arm to obtain professional audio quality and hide the microphone arm to obtain a stylish appearance. The headset also allows users to easily adapt to various work activities.

Multiple microphones Acoustic Shield Technology

With the Yealink Acoustic Shield Technology, the five Microphones built into the BH76 block the background noise automatically but ensure that the participant's voice can be heard clearly, which greatly boosts communication efficiency.

Visible busylight for ultra-wide angle

When users are on a call, the visibility indicators on both sides of the BH76 automatically glow red to reduce external interruptions and allow users to focus on the conversation.

Ultimate music and calling experience

Designed for business calls and music, BH76 supports a dynamic EQ that can automatically switch between call mode and music mode. With Qualcomm aptX digital audio algorithm, the BH76 can bring users a high-quality lossless audio quality experience. The BH76 supports 4 levels of active noise cancellation (ANC) that can bring an excellent noise reduction effect for users in any noise environment. The passive noise reduction performance brought by the new beveled ear cushion design and oval memory foam of the BH76 can provide a great listening experience for users.

Multi-functional wireless charging

Its long battery life offers up to 40 hours of talk/listen time, saving users from frequently needing to charge. The BH76 supports USB and wireless charging and the optional Qi charging stand allows easy charging on a desk.

Battery:

- Talking time: Up to 35 hours
- Music time: Up to 40 hours
- Standby time: 112 hours
- Charging time (cable): Within 2 hours
- Charging time (wireless charging): Within 3 hours

Audio:

- Active Noise Cancellation: Yes
- Speaker size: 35 mm Ø
- Speaker sensitivity: 117 dB @1 mW-1k Hz
- Speaker max input power: 50 mW
- Speaker frequency range: 20 Hz-20k Hz
- Speaker bandwidth: Music mode: 20 Hz-20k Hz
- Speaker bandwidth: Speak mode: 100 Hz-8k Hz
- Microphone type: 1 directional analog ECM and 4 analog MEMS
- Microphone sensitivity: -15.66 dBFS/Pa
- Microphone frequency range 100 Hz-8k Hz: SBC
- Audio codecs: Aptx-HD
- User hearing protection: EN50332

Connectivity:

- Connection (computer and mobile devices): USB-A/USB-C Bluetooth adapter, Bluetooth
- Bluetooth® device: Yes
- Bluetooth version: Bluetooth 5.2
- Bluetooth profiles: HSP v1.2 , HFP v1.7, A2DP v1.3, AVRCP v1.6, PBAP v1.1, SPP v1.2
- Operating range: Up to 30 m/Up to 100 ft
- Bluetooth pairing list: Up to 8 devices
- Simultaneous Bluetooth connections: 2

Package contents:

- BH76 Bluetooth headset
- BT51-A/BT51-C USB dongle
- 1.2 M USB 2.0 USB-A to USB-C cable
- Drawstring bag black for headset
- Quick start guide
